The Radical scare about rebels and their desire to place the negroes in bondage again, is wearing thread-bare even with the negroes and illiterate whites, upon whom this scare was acted. They are learning that the rebel doctrine and the Radical doctrine

THE Hartford Herald came to our office last week full of all sorts of piecemeal news, the first of which was the result of the heated canvass between Hocker, Democrat, and Meador, Radical, candidates for the Legislature. It was said that we have had a "war of warm contest"; and throughout the canvass Democrats were fearful of the result. It was said that three candidates. A Greenbacker was in the race and Democrats were fearful that he would hold enough Democrats and not enough Radicals to give the victory to the Democrats. The result turned out that the Greenbacker on the day of the election was so near deserted by Democrats and Radicals, that the Democrats were able to elect him. At the close of the polls, and the Democratic candidate was triumphantly elected by a majority of three hundred and thirty.

To circulate the true Democracy of Ohio county, and like them, we, too, are rejoiced at the result. We imagine our friends in the West will be as glad as we are happy at this result. — J. H. Giville

Mr. N. J. Harris, of Greenville, is announced in this issue of the HERALD as a candidate for Sergeant-at-Arms of the next Senate of Kentucky. Mr. Harris was a candidate four years ago and gave way to a Mountain man. We think this portion of Kentucky is entitled to some of the offices of the Senate and Legislature as nearly all of the State offices are filled by men from the middle or eastern portion of the State. Mr. Harris is a gentleman of judgment, ability, and well qualified for the position to which he aspires.

I take this method of informing the taxpayers of Ohio county that their taxes are now due, and have been since the first of June. Those owing their taxes are herein notified to come forward and pay the same. Persons owing back taxes, if not paid immediately, will have their property levied on and sold. One of my deputies will be at each of the Magistrates' courts in September, where persons can have an opportunity to pay their taxes.

C. W. PHILLIPS, Sheriff of Ohio County.

Mrs. George Platt and sister, Miss Katie Hardwick, started in buggy last week to Pleasant Ridge, but had scarcely gotten out of town before their horse became frightened and began to run, tearing the buggy piece by piece as it flew through the air. The ladies remained in the buggy until the hind wheels were broken off, which gave them a chance to extricate themselves from the same. It is a gratification to their many friends as well as a surprise, to learn that they were not hurt.

All are respectfully invited.

MRS. S. W. ANDERSON, Pres't.

MISS LOGA WALKER, Sec'y.

The social circles of Hartford for several weeks past have been unusually gay and festive, contributable to a great extent, to the many pleasant young ladies visiting our town this summer. Quite a number of entertainments, parties, &c., have been had, all of which were highly appreciated by those participating. The last of these delightful and enjoyable occasions was that of a dance last Wednesday night, given by the young gentlemen of town at Masonic Hall, in honor of Misses Loula Tribble and Josie Landrum, of Calhoun. The night was a pleasant one, which added joy and emotion to those participating in the merry dance. The festivities were prolonged till a late hour, when "balmy sleep, nature's sweet restorer," suggested the hour to depart where it could dream of pleasures past.

Cured of Drinking.

"A young friend of mine was cured of an insatiable thirst for Liquor, which had so prostrated him that he was unable to do any business. He was entirely cured by the use of Hop Bitters. It allayed all that burning thirst; took away the appetite for liquor; made his system steady, and he has remained a steady and sober man for more than two years, and has no desire to return to his cups. I know of a number of others that have been cured of drinking by it." From a leading R. R. Official, Chicago, Ills. 33-2times.

Incidents of the Show.

Last Saturday, while the great Trans-Atlantic Show was getting ready to give their afternoon performance, a little boy, son of Wine Duke, of color, on curiosity bent, climbed up the cage containing the Hyena. No sooner had the little fellow peeped in until the animal shot out his paw and caught him by the ear, tearing off a portion of the same, and cut a circle above the ear severing a small artery. He won't attend any shows soon.

In coming from Calhoun to this place Friday night two of their wagons turned over, bruising up one of their men considerably.

A man came in advance of the show and began dealing in some kind of lottery. He was promptly arrested and fined \$100. He sold his horse and buggy, paid his fine and skipped.

As an elegant hair dressing stands Parker's Hair Balm, deservedly popular for the beautiful hair it produces, and its cleansing and healing properties.

Commencing at the roots, it promotes a luxuriant growth of young hair, and unfailingly restores gray or faded hair to the original youthful color, giving a soft, rich and lustrous appearance of great beauty. It is pleasantly cooling to the scalp, cleanses it from dandruff, itching and humors, and stops falling of the hair. It is perfectly harmless, excepting perfume, never soils the skin or gums the hair, and pleases everybody by its many excellent and attractive qualities. A patron assures us he has used 12 different hair preparations and that Parker's Hair Balm surpasses them all. Sold in large bottles, at only 50 cts. and \$1.00, by Z. Wayne Griffin & Bro., and druggists generally.

A Source of Much Bodily Evil.

If the habit of body becomes irregular, much evil is inflicted on the system. The stomach becomes dyspeptic, bilious symptoms develop themselves, the circulation is contaminated, and the nerves share in the general disorder. It is of the utmost importance that the bowels should be thoroughly and speedily regulated when they grow derelict. The corrective agent best adapted to this purpose is Hostetter's Stomach Bitters, a wholesome, non-gripping vegetable laxative, worth all the rasping cathartics invented since the time of Paracelsus. People who have been in the habit of using blue pill, calomel and other drugs and cheap purgatives for constipation, should abandon such hurtful and useless medicines, and substitute for them this pleasant and gentle aperient, which not only produces the purgative effect naturally, but also strengthens while it regulates the bowels, stomach and liver. It moreover cures and prevents intermittent and remittent fevers, gout, rheumatism, debility and urinary troubles.
